Dear Ms. Kump-Mitchell:

Enclosed is the quarterly report for the quarter ending June 30, 2007 as required in paragraphs 91 through 94 of the Corrective Action Abatement Order on Consent, Order No. 99-HW-002 (AOC). The following summarizes the activities completed during the quarter.

Description of Work Completed During the Quarter:

Modine submitted a letter on 5/29/07 to MDNR documenting areas of floor removal from the 1997 to 1998 time frame.

A letter from MDNR was received on June 26, 2007 requesting additional information on the floor removal activities. A meeting was scheduled for August 23, 2007 to view a video documenting the floor removal activities.

Summaries of Findings, Data, Etc.

Nothing new.

Summaries of Problems or Potential Problems and any Corrective Measures Implemented:

No problems were encountered during the quarter.

Projected Work for the Next Reporting Period:

The anticipated work to be completed is: submitting a draft work plan to MDNR for additional soil boring, and closing out all the remaining soil issues.

Instances of Non-compliance with the Requirements of the Order:

There were no known instances of non-compliance with the requirements of the Order during the quarter.

If you have any questions on this report, please contact me at (262) 636-1223 or at the letterhead address.

Sincerely,

Gary A. Fahl
Vice President, Environmental, Safety & Security
